Subject: RE: Adelanto ICE Processing Center

Mr. Eaton:

As you know, your client's response to EPA's document request was due on August 12, 2020. As you are also aware, shortly after the request was made, I advised you to let EPA know if there was going to be an issue with providing the documents by the due date as soon as possible and not to wait until the due date to contact us.

To date, your client has not provided the response nor has it provided an explanation for the lack of response nor a date certain when we can expect to receive the response.

Needless to say, this lack of response and related communication is unacceptable.

Please contact me as soon as possible to discuss this matter.

Sincerely,

Carol Bussey
